

CERTIFICATE OF INTERNSHIP PARTICIPATION

Certificate Ref No: ACC-DA-CIP-2026-213

Date: 20/06/2026

To Whom It May Concern,

This is to certify that **Ramana V S** was associated with Analytics Career Connect as an **Data Analyst Intern** for a limited period.

During the internship association, the intern demonstrated professionalism, a positive learning attitude, and good coordination with the team. The intern adhered to organizational guidelines and participated responsibly in assigned activities throughout the association period.

The internship environment at Analytics Career Connect is designed to provide practical exposure, professional orientation, and an understanding of organizational work culture. As part of this environment, the intern was introduced to structured learning practices and workplace expectations.

This certificate is issued solely as an acknowledgment of the intern's association with Analytics Career Connect and participation during the period of engagement. It does not certify successful completion of the internship program, employment status, project completion, skill proficiency, or performance achievement.

We appreciate the intern's association with Analytics Career Connect and wish them continued growth and success in future learning and career endeavors.

Sincerely,

Mahenoor B

Associate CHRO
